Focus:

- Immediate Focus on Core Skills
- November – Mock Exams – preparation for Mocks. Revision for mocks...
- Macro – priority (Mike prefers Micro)
- Develop Exam Technique – Core Skills - Knowledge, Application, Analysis and Evaluation – use of PECAN PIE tool. Analysis – quite good use of diagrams and analysing diagrams – review analysis; application – quite good – review; Evaluation – pretty good throughout essay albeit a bit weak at the end – to review. Review core skills.
- Time management to review – consider the use of mind map strategy
- Assess knowledge gaps:
 - Macro Theme 2 (CPG):
 - Section 9: AD Analysis; Section 10: BoP; Section 11 – All section
 - (Section 12,13 & 14 – not started)
 - Micro Theme 1:
 - Section 2 – Elasticity
 - (Part of Section 6 & Section 7 – not started)
- Exam Preparation – developing arguments as part of revision to grow confidence and review revision. Use of mind maps
- Current – Economist / websites / quality papers – apply wider current knowledge
- Where focus on knowledge – Mike to prepare prior to the lesson to provide overview & answer questions, with questions to student as well as knowledge transfer, plus 15 mins per session developing arguments/links
